**AmericanGarageFloor.com Domain Acquired by Garage Flooring LLC**

*National leader for garage flooring materials secures competitor website to facilitate growth*

GRAND JUNCTION, Colorado – Garage Flooring LLC has announced its acquisition of the domain name [AmericanGarageFloor.com](http://AmericanGarageFloor.com), in order to merge it with the company’s existing website and expand its online presence, effectively growing its sales channels.

Merging two of the largest online outlets for garage flooring materials, Garage Flooring LLC is seeking to strengthen its ability to provide high quality, American-made flooring materials to residential, commercial and industrial customers nationwide. Operating a more comprehensive website, backed solely by Garage Flooring LLC, the company hopes to leverage its tremendous product inventory to meet the demands of its customers.

The chief goal in obtaining AmericanGarageFloor.com is to create cohesion between Garage Flooring LLC and the American-made inventory of products that it offers. In operation since 2005, American Garage Floor has been widely regarded as the source for domestically-produced flooring products, making its existing website and logo ideal prospects for helping Garage Flooring LLC position itself as a leader of American-made garage flooring materials.

Acquiring [AmericanGarageFloor.com](http://AmericanGarageFloor.com) also showcases Garage Flooring LLC’s constant drive for growth and expansion. Effectively doubling its sales channels via the website merger, the company will work to increase its market share, without compromising the quality of its products or services.

“With big box chains and other smaller suppliers breaking into this niche market, it becomes paramount that we take the right steps forward to preserve the exceptional reputation that we’ve garnered and continue to be a leader for this market,” said Justin Krauss, Co-Founder and President of Garage Flooring LLC. “Being able to control two of the largest websites in this industry is a step in the right direction to ensuring that people seeking quality are provided with it.”

Garage Flooring LLC is widely touted as the best supplier of garage flooring materials and other garage storage accessories in the United States. Offering the lowest prices available, free shipping, a 30-day money back guarantee and a depth of knowledge and expertise from its employees, the company is a standalone leader.
